Hong Kong Mathematics Education Conference 2017

Second Announcement

Theme: The Mathematical World Inside and Outside Classrooms

Date: 16 June 2017 (Friday)

Venue: The Education University of Hong Kong

Time: 9:00 a.m. to 4:30 p.m.

Objectives:

There are different mathematical activities inside and outside classrooms to access the world of mathematics, from flipped classroom, e-learning and STEM education inside classrooms, to problem solving activities, mathematical games and mathematics training outside classrooms. All these activities not only nurture students' mathematical thinking, but also allow them to appreciate the beauty of mathematics. The Conference provides a platform for the sharing and exchange of different theories and experience, and promotes a culture for professional development in mathematics education.
